

Golden Bay Museum Society is committed to preserving the history of Golden Bay for future generations through operating the Golden Bay Museum in Takaka. The museum's growing archival and other collections support local history research, while exhibitions and permanent displays bring our rich heritage stories to life for local and overseas visitors.

Membership: Members provide a vital link between the museum and our community, and we value their support. Financial and other donations are very much appreciated and supplement our core funding from Tasman District Council.

Members are invited to exhibition openings and other special events, and some also like to be involved in practical ways.

Members can purchase Golden Bay Museum Society publications at a 10% discount.

Please support OUR heritage through YOUR membership (details below) Thank you!
